DEBATE TIME!

Much like in a real presidential debate, a moderator will ask each candidate questions about his/her campaign. Below, you will find the moderator's questions. Be prepared to answer EACH of the prompts. Remember, you will need to **support** your responses.

1. Why should you be elected President of the United States?
2. What is your view on immigration policy?
3. How would you deal with ISIS?
4. How would you address concerns about climate change?
5. Do you agree with the Obama administration's view on healthcare? How would you change healthcare for Americans?
6. Who should bear the burden of taxes? Why?
7. Do you support the 2nd Amendment?
8. For EACH opposing candidate: What is ONE issue on which you have an opposing viewpoint? Why is your opinion the better opinion? (This means you should have FOUR opposing issues, one per candidate.)

In addition: Be ready to refute (disprove) what other candidates say.
